

Team Working Agreement

ClassMate Updated: 3/8/2025

SCRUM Meeting times: Mon, Wed, Fri 8pm

Definition of Done

User Story:

- Does it serve its intended purpose?
- Is its implementation easy to understand?
- Is it customer-friendly and intuitive?

Task:

- No compilation errors.
- No breaking bugs.
- Correctly implements all the related tasks.

Acceptance Criteria:

- Peer review
 - Can it be implemented in a better way?
 - Is the code redundant?
 - Is it slowing down performance?
- Adheres to style guide/mockups

Coding Standard/Style Guide:

- No ESLint errors
 - Similar to CSE186

Testing:

- Manual testing of at least 2 individuals (you and another person)
 - Test all other related components to ensure that nothing breaks
